

Items	Stainless Steel Cocktail Strainer
Material	Stainless Steel
Description	<p>With a high quality stainless steel construction, the Professional 2 Prong Cocktail Strainer is a cocktail tool for the professionals. The high quality polished finish and classic design makes this the perfect choice for creating the perfect cocktail. A superior spring makes for a finer strain, this will ensure no ice or fruit chunks make the final cut.</p> <p>This strainer is ideal to use with a 28oz shaker tin or a 16oz mixing glass. Add this to your bar equipment to start making your own professional standard cocktails at home.</p>

1. Q: How can customers buy E-BON products?

A: Our customers can send email to [sales@szebon.com](mailto:sales@szebon.com), which is our business email. Alternatively, customers can dial 86-0755-33221366 to tell us the projects to be developed, or the products they are interested in. Our business team awaits customers all day long.

2. Q: Where is the main market for E-BON products?

A: Our main market is Europe and America, so we are quite familiar with the demands and requirements of this market. We can offer our customers our professional consultation and recommendation service. Simultaneously, we will launch new products on basis of the changes of European and American markets, to help our clients better exploit the market. In addition, we also expand the markets in Russia, Asia, and South America.

3. Q: What is the minimum order quantity? How long is the delivery time?

A: Both MOQ and delivery time need to refer to the specific products. Our MOQ is usually 1000pcs, and the quantity of our waste bin product is calculated in accordance with the entire cabinet. The delivery time is within 30 days.
