

Items	Stainless Steel Lemon Reamer
Material	Stainless Steel
Description	<p>If you've ever tried squeezing a lemon by hand, you've probably been disappointed by the pitiful amount of juice that comes out. Chances are you've gone through a stack of lemons before you've got enough for your homemade lemonade.</p> <p>The Stainless Steel Lemon Reamer is a useful tool that can be used to extract juice from a wide variety of citrus fruits. The pointed end will allow you to pierce into the fruit, while the serrated conical blade ensures you get every last bit of juice. Simply strain the juice before using to create some mouthwatering cocktails!</p>
Features	<ul style="list-style-type: none"> • Professional quality fruit reamer • Stainless steel • Ideal for extracting juice from lemons and limes • Ergonomic handle for comfort • Dishwasher safe • 10 year manufacturer guarantee

1. Q: How can customers buy E-BON products?

A: Our customers can send email to sales@szebon.com, which is our business email. Alternatively, customers can dial 86-0755-33221366 to tell us the projects to be developed, or the products they are interested in. Our business team awaits customers all day long.

2. Q: Where is the main market for E-BON products?

A: Our main market is Europe and America, so we are quite familiar with the demands and requirements of this market. We can offer our customers our professional consultation and recommendation service. Simultaneously, we will launch new products on basis of the changes of European and American markets, to help our clients better exploit the market. In addition, we also expand the markets in Russia, Asia, and South America.

3. Q: What is the minimum order quantity? How long is the delivery time?

A: Both MOQ and delivery time need to refer to the specific products. Our MOQ is usually 1000pcs, and the quantity of our waste bin product is calculated in accordance with the entire cabinet. The delivery time is within 30 days.
