ROYAL STAINLESS STEEL

Series Bar Tool Set

The stainless steel wine goblets in SkyFishLife are quite dainty. You are sure to love and embrace the way in which they are etched with intricate and authentic baroque engravings.

The design simply takes you back to the golden age of noblemen.

The wine goblets are unique and are perfect for every event. Their structure is classy and sleek, which makes them a perfect addition for your exquisite kitchen.

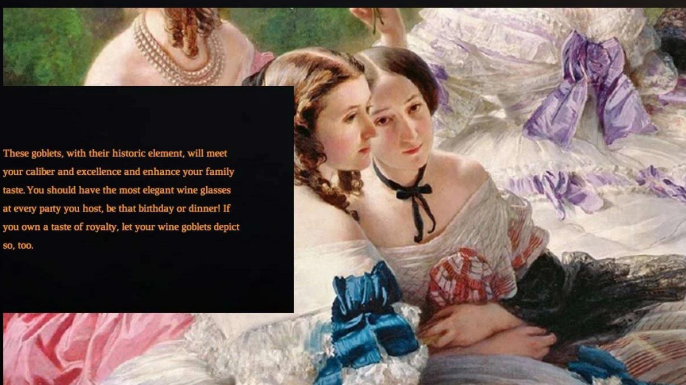

The elegance of the wine goblets and its premium quality stainless steel just shines out with perfect grace and will add royalty to your kitchen. It has the classic delicate engravings from ancient times. Only a goblet like this can match the nobility and stature.

The black colored wine cups will make you feel like a Knight of the middle age while the copper ones talk of complete royalty and noble class.

With this wine goblet in your hand, you will feel exquisite and can drown out all the noises of the day.

Enjoying wine at the end of the day with utmost peace and pure classy wine cups is a feeling all of you must be looking forward to, occasionally. And, with these classic wine goblets, you are sure to feel that way!

These goblets, with their historic element, will meet your caliber and excellence and enhance your family taste. You should have the most elegant wine glasses at every party you host, be that birthday or dinner! If you own a taste of royalty, let your wine goblets depict so, too.

FAQS

E-BON

1. Q: How can customers buy E-BON products?

A: Our customers can send email to sales@szebon.com, which is our business email. Alternatively, customers can dial 86-0755-33221366 to tell us the projects to be developed, or the products they are interested in. Our business team awaits customers all day long.

2. Q: Where is the main market for E-BON products?

A: Our main market is Europe and America, so we are quite familiar with the demands and requirements of this market. We can offer our customers our professional consultation and recommendation service. Simultaneously, we will launch new products on basis of the changes of European and American markets, to help our clients better exploit the market. In addition, we also expand the markets in Russia, Asia, and South America.

3. Q: What is the minimum order quantity? How long is the delivery time?

A: Both MOQ and delivery time need to refer to the specific products. Our MOQ is usually 1000pcs, and the quantity of our waste bin product is calculated in accordance with the entire cabinet. The delivery time is within 30 days.
