1. Q: How do customers buy our products?

A: You can send an email to sales@szebon.com, which is our corporate email address. In addition, customers can call 86-0755-33221366 to tell us about the projects to be developed, or the products they are interested in, and our business team will respond at any time.

2. Q: Where is the main market for Yibang's products?

A: Our main market is Europe and America, so we are very familiar with the needs of this market. We can provide our clients with professional consulting and referral services. At the same time, we will introduce new products for the changes in the European and American markets to help our customers better develop the market. In addition, we are also expanding our markets in Russia, Asia and South America.

3. Q: What is the minimum order quantity? How long is the delivery time?

A: The minimum order quantity and delivery time need to refer to the specific product. Our order quantity is generally 1000.
