

Items	Stainless Steel Muddler
Material	Stainless Steel
Description	<p>When adding ingredients to your favourite cocktail, you will be aware that simply chucking a few leaves and chunks of fruit into your cocktail shaker won't yield many taste results! The solution to avoiding getting mint leaves stuck in your teeth is of course a muddler!</p> <p>Crush all your favourite cocktail ingredients to help release the flavours into your mixture! The Stainless Steel Muddler is ideal for garnishes that need a bit of extra force - the steel construction ensure this muddler will last through any difficult crushing task! This sturdy muddler also features a serrated end giving you further muddling power!</p>
Features	<ul style="list-style-type: none"><li>• Stainless steel muddler</li><li>• Serrated end</li><li>• Ideal for constant use</li></ul>

1. Q: How can customers buy E-BON products?

A: Our customers can send email to [sales@szebon.com](mailto:sales@szebon.com), which is our business email. Alternatively, customers can dial 86-0755-33221366 to tell us the projects to be developed, or the products they are interested in. Our business team awaits customers all day long.

2. Q: Where is the main market for E-BON products?

A: Our main market is Europe and America, so we are quite familiar with the demands and requirements of this market. We can offer our customers our professional consultation and recommendation service. Simultaneously, we will launch new products on basis of the changes of European and American markets, to help our clients better exploit the market. In addition, we also expand the markets in Russia, Asia, and South America.

3. Q: What is the minimum order quantity? How long is the delivery time?

A: Both MOQ and delivery time need to refer to the specific products. Our MOQ is usually 1000pcs, and the quantity of our waste bin product is calculated in accordance with the entire cabinet. The delivery time is within 30 days.
