1. Q: How can customers purchase our products?

A: You can send an email to sales@szebon.com , which is our corporate email address. In addition, customers can call 86-0755-33221366 to tell us about the projects to be developed or the products they are interested in. Our business team will respond at any time.

2. Q: Where is the major market for Yibang's products?

A: Our main markets are Europe and the United States, so we are all very familiar with the needs of this market. We can provide our customers with professional consulting and recommendation services. At the same time, we will introduce new products for changes in the European and American markets to help our customers better develop the market. In addition, we also expand markets in Russia, Asia and South America.

3. Q: What is the minimum order quantity? How long is the delivery time?

A: The minimum order quantity and delivery time need to refer to specific products. Our MOQ is generally 1,000.
